Sale of commercial building in Villa Rosa industrial estate

Beautiful commercial premises in operation, do not miss this business opportunity

Commercial premises for sale in very good condition, renovated two years ago. It has very good communication with the airport. It consists of sales area, parking area and workshop area. It has two offices and storage. Right now it is working as a private parking lot, very bright, perfect for rent a car or car dealer. It is located on a street with a lot of traffic.
